

What went well?

What should we keep doing?
What should we celebrate?
Where did we make progress?

What went poorly?

Where did we have problems?
What was frustrating to us or others?
What held us back?

[Topic of the retrospective]

A small amount is required to start a business.

Chose the best location .

Better workers are needed.

A business needs to have less expensive products.

Transportation facility should be adequate.

This should be advertised.

Tabulating expenses for the basic needs of a business.

List value in costs according to the business of the consumer.

Listing values to them with quality products.

Through this the consumer can know the estimate of his business cost.

This enables businessmen to track budgets.

Through this the consumer executes his business with excellence.

What ideas do you have?

What ideas do you have for future work together?
Where do you see opportunities to improve?
What has untapped potential?

How should we take action?

What do you believe we should do next?
What specific things should we change?
What should extend beyond this meeting?
